It would be handy if judgment was entered today before 4.00 pm (UK-Time); today being a Friday and the end of the week so that all the parties would then know where they stand.

Hello there

I have looked for an unsubscribe button specifically on the theme of this GoFundMe Campaign, but could not find such a provision in the emails that you have sent me.

I made a mistake in donating £25 to the campaign and wondered if there was any way it could be refunded to me for not only have I developed a very poor opinion of Peter Cook to be marshalling political affairs in the country, the subject of rejoining the European Union is not on the list of priorities for the country.

I am far more interested in 'THE QUEST FOR MATERIAL JUSTICE-digital.pdf. on which it is evident that Peter Cook and I do not see eye to eye since I first got to know him in June 2024.

By ignoring my submissions since he has shown that he does not have my good interests.

So I am entitled to a refund legally.

Wow - we are getting replies from our letter and book from across the board in Parliament - Diane Abbott, Ben Lake (Plaid Cymru) and Tom Tugendhat ... as well as Lib Dem Lords and Michael Heseltine. We have mailed 300 books to Parliament. With your help we will be able to finish the job ... Coming up, I've been asked if we can form an organisation to work with the Labour leadership directly in the next couple of months. We'll need to assemble a group of around 20 people from different walks of life. Suggestions welcome. If you wish to mail your MP, you may use our latest piece here

Sep,

As I have explained, Shantanu donated £25 ages ago, which was spent on the campaign. He then complained. After that he has once again donated after I asked him NOT to do that.

I think your suggestion of unsubscribing is the best course of action as this will prevent him from making further donations.

Hello Sap

I do not wish to be unsubscribed from GoFundMe following the clarification that you have provided; but would like the £50 (not £25 original donation) to be refunded now. This is because Peter Cook did not acknowledge my email as attached ToPeterCook(No News is Good News Peter\_UrgencyImmediate)23Mar2025.docx; which was a vital part of the proceedings at the Court of Appeal. I needed Peter Cook to be a Member of Conservative Libertarians (UK) to progress the attempt by the United Kingdom to Rejoin the European Union; as set out in the link: <https://www.theconservativelibertariansociety.com/post/18-march-2025-modus-operandi-of-conservative-libertarians>

Hi Shantanu,

This is Sap from the Customer Care team and I will be happy to help you out.

I can understand your concern. I'm sorry that you had to contact us about this issue.

If we unsubscribe you, then you will be unsubscribed from all marketing emails. Would you like me to do that?

Once a refund is issued it cannot be reversed. Can you confirm that you would like a refund for your donation of 25 - GBP along with the tip of 3.5 - GBP made to the following fundraiser?

<https://www.gofundme.com/f/get-brex-it-gone>

With your confirmation, I can issue that refund for you, and you will receive 100% of your money back within 3-7 business days. The organizer will receive a message to let them know about the refund.

I will keep an eye out for your response.

Welcome Pack to my Connections in LinkedIn

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries

with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

In case you need additional information; please check here:

Best wishes

The Court of a Appeal much like the same over here is run on the same basis as a committee! Along with that framework they take into consideration the feelings of the public, how will the public feel if they handed down an answer to a problem. It is a joke and has always been treated as such!

Your comments and encouragement are appreciated and apologies for distrusting your words of advice that the Court of Appeal in New Zealand and the United Kingdom and perhaps several other Commonwealth countries are run as a committee. Unfortunately there is no information here in the United Kingdom for the public to know the composition of the Committee at the Court of Appeal and we also do not know how the lower Courts function in any great detail. Having assessed the progress of my litgations and private prosecutions over a 26 year period, I feel that the State needs to be reformed to a Written Constitution that will serve the public and not the other way round totally. It should be a two-way thing. Just saying. I am not really bothered for structures are deeply ingrained in society. I am simply a truth seeker and nothing more.

I have a very dimention view of Court of Appeal as I have a friend being locked up for 25 years for something he never did. It has been proven that he didn't do it and after his 5th hearing this week they still won't let him go because he shows no remorse. Why should there be remorse if he has been pleading not guilty for 25 years?

Hello, I usually try and find people to connect with for a given objective by fishing in the dark to save on time so go about this through random selection of individuals. This is to assist my yoga process each step of the way through what I defined as satya-advaita yoga. I feel a responsibility

to initially respond back with an acknowledgment greeting and this is the purpose of saying Hello. Please bear this in mind before interacting with me with a conversation.

It is very important to know if one has not just a Creator God but also a Personal God for the answer to this question determines whether we human beings should have a spiritual purpose to our lives or just live to material gains like a career, money, house, holidays, etc.(Edited)

Hello there

I have looked for an unsubscribe button specifically on the theme of this GoFundMe Campaign, but could not find such a provision in the emails that you have sent me.

I made a mistake in donating £25 to the campaign and wondered if there was any way it could be refunded to me for not only have I developed a very poor opinion of Peter Cook to be marshalling political affairs in the country, the subject of rejoining the European Union is not on the list of priorities for the country.

I am far more interested in 'THE QUEST FOR MATERIAL JUSTICE-digital.pdf. on which it is evident that Peter Cook and I do not see eye to eye since I first got to know him in June 2024.

By ignoring my submissions since he has shown that he does not have my good interests.

So I am entitled to a refund legally.

Wow - we are getting replies from our letter and book from across the board in Parliament - Diane Abbott, Ben Lake (Plaid Cymru) and Tom Tugendhat ... as well as Lib Dem Lords and

Michael Heseltine. We have mailed 300 books to Parliament. With your help we will be able to finish the job ... Coming up, I've been asked if we can form an organisation to work with the Labour leadership directly in the next couple of months. We'll need to assemble a group of around 20 people from different walks of life. Suggestions welcome. If you wish to mail your MP, you may use our latest piece here

Sep,

As I have explained, Shantanu donated £25 ages ago, which was spent on the campaign. He then complained. After that he has once again donated after I asked him NOT to do that.

I think your suggestion of unsubscribing is the best course of action as this will prevent him from making further donations.

Hello Sap

I do not wish to be unsubscribed from GoFundMe following the clarification that you have provided; but would like the £50 (not £25 original donation) to be refunded now. This is because Peter Cook did not acknowledge my email as attached ToPeterCook(No News is Good News Peter\_UrgencyImmediate)23Mar2025.docx; which was a vital part of the proceedings at the Court of Appeal. I needed Peter Cook to be a Member of Conservative Libertarians (UK) to progress the attempt by the United Kingdom to Rejoin the European Union; as set out in the link: <https://www.theconservativelibertariansociety.com/post/18-march-2025-modus-operandi-of-conservative-libertarians>

Hi Shantanu,

I can understand your concern. I'm sorry that you had to contact us about this issue.

If we unsubscribe you, then you will be unsubscribed from all marketing emails. Would you like me to do that?

Once a refund is issued it cannot be reversed. Can you confirm that you would like a refund for your donation of 25 - GBP along with the tip of 3.5 - GBP made to the following fundraiser?

<https://www.gofundme.com/f/get-brex-it-gone>

With your confirmation, I can issue that refund for you, and you will receive 100% of your money back within 3-7 business days. The organizer will receive a message to let them know about the refund.

I will keep an eye out for your response.

Welcome Pack to my Connections in LinkedIn

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

The Court of an Appeal much like the same over here is run on the same basis as a committee!

Along with that framework they take into consideration the feelings of the public, how will the public feel if they handed down an answer to a problem. It is a joke and has always been treated as such!

Your comments and encouragement are appreciated and apologies for distrusting your words of advice that the Court of Appeal in New Zealand and the United Kingdom and perhaps several other Commonwealth countries are run as a committee. Unfortunately there is no information here in the United Kingdom for the public to know the composition of the Committee at the Court of Appeal and we also do not know how the lower Courts function in any great detail. Having assessed the progress of my litgations and private prosecutions over a 26 year period, I feel that the State needs to be reformed to a Written Constitution that will serve the public and not the other way round totally. It should be a two-way thing. Just saying. I am not really bothered for structures are deeply ingrained in society. I am simply a truth seeker and nothing more.

I have a very dimension view of Court of Appeal as I have a friend being locked up for 25 years for something he never did. It has been proven that he didn't do it and after his 5th hearing this week they still won't let him go because he shows no remorse. Why should there be remorse if he has been pleading not guilty for 25 years?

### **Summary of Claim Amount:**

**The total amount claimed from United Kingdom Treasury for damages listed above is the tip of the iceberg: with the continued terrorism suffered by the Claimant the monetary value of the compensation Claim cannot be measured, but the Claimant now submits that £500 million is justified.**
